

FRAMEWORK: 7/8" schedule 40 steel pipe.

SIDEWALL OPTIONS: Perforated steel sheet (round or square perforations); solid steel sheet; 5/8" solid round bar; flat bar; laser cut steel straps; horizontal laser cut steel sheet; vertical laser cut flat bar; horizontal laser cut flat bar; customized perforated or laser cut steel sheet. Designate "-PS", "-SS", "-RB", "-FB", "-LS", "HLS", "-VLF", "-HLF", "-CPS" or "-CLS" for the sidewall material after the model designation.

STANDARD SIZES: Receptacles are available in 24, 32, or 36 gallon standard sizes (custom sizes are also available). Designate "-24", "-32, or "-36" for a 24, 32, or 36 gallon trash receptacle respectively.

MOUNTING OPTIONS: Surface flange mount for bolting to existing concrete (standard); freestanding; pole mounted; elevated surface mounted legs; pedestal mounted (embedded or surface); or embedded (optional). Designate "-F", "-FS", "-PM", "-EL", "-PSE", "-PSF", or "-E" after the trash receptacle size for surface flanged, freestanding, pole mounted, embedded pedestal mounted, flanged pedestal mounted, or embedded mounting respectively.

FINISH OPTIONS: Hot-dipped galvanized; polyester powder coated; thermoplastic powder coated; or stainless steel with a #4 satin finish. Designate "-G", "-P", "-T", or "-SS" after the mounting option for a galvanized, powder coated, thermoplastic powder coated, or stainless steel finish respectively.

TOP OPTIONS :

Flat steel top (standard); low tapered steel top (standard); low domed steel top; low domed steel top with self closing door; tapered steel top; domed steel top; or flat steel top with elevated steel canopy. Designate "-F", "-LT", "-LD", "-LDD", "-TT", "-DT" or "-FC" after the finish option for a flat steel top, low tapered steel top, low domed steel top, low domed steel top with self closing door, tapered steel top, domed steel top, or flat steel top with elevated steel canopy respectively. **NOTE:** OPTIONAL HINGED OR SELF LOCKING HINGED TOPS ARE ALSO AVAILABLE FOR ALL TOP OPTIONS. DESIGNATE "-H" AFTER THE TOP OPTION FOR AN OPTIONAL HINGED TOP

ACCESSORIES: 1. Ash urn insert for domed steel top and flat steel top with elevated canopy. Designate "-AU" after the top option for optional ash urn. 2. Side opening door with latch or lockable latch. Designate "-SD" or "LSD" after the top option for side opening door or lockable side opening door respectively. 3. Leveling feet are available for all freestanding and surface flange mounted units. Designate "-LF" for leveling feet.

LINERS: Trash receptacles come standard with either a hot-dipped galvanized or rigid plastic liner (**NOTE:** GALVANIZED LINERS ARE ONLY AVAILABLE IN THE 24 AND 32 GALLON SIZES, AND CAN ALSO BE POWDER COATED FOR AN ADDITIONAL CHARGE).

Recycling Containers

Matching recycling receptacles and containers are available for all of our bench and trash receptacle models.

Recycling receptacles come with either a special recycling top or side openings for depositing recyclable materials. The universal recycling symbol is also permanently displayed on these units for easy user identification.

Recycling receptacles are available with all the same sidewall material options as the trash receptacles whose name they bear.
